Pleasant View Petitions Westerly

Wants Better Road in Rear of Fifty-Five Cottages—S. J. Reuter Appointed Tree Warden—Ruggist's License Refused—Stolen Power Boat Recovered—Assessors for Fire District Complete Work.

President William L. Clarke called the August meeting of the Westerly town council to order, Monday, these members being present: Councilmen C. Clarence Masson, Horace Burdick, William Chatter, Maurice W. Flynn, Albert H. Langworthy and Wayland Saunders.

Clerk Whipple read the record of the last regular and special meetings, which was formally approved. Samuel H. Davis, administrator of the estate of William H. Harkness, notified the council that under the will the income from the Barber homestead was to go to the Children's Aid society of New York and he devoted to the education of colored children in the south, and that the will asked for appointment of a trustee by the town council. The council appointed Mr. Davis trustee.

Alfred B. Crafts, a property owner at Pleasant View, representing the other property owners at that summer resort, informed the council of the need of a gravel road in the rear of the line of cottages, which had been damaged by the laying of a water pipe line. There were now fifty-five cottages at that beach and that in the next flat Pleasant View would be probably taxed for \$100,000 and therefor entitled to consideration when expenditures are made. Traffic is hampered by the poor condition of the road.

Rev. William L. Swan and J. F. Cloutier, other property owners, spoke in favor of road improvements at Pleasant View, and asked that at the summer time ample appropriation be made for the desired road improvement.

James A. Welch, representing the Westerly board of trade, spoke in favor of the appointment of a tree warden, and suggested that Simon J. Reuter be appointed. Mr. Reuter was unanimously chosen.

A communication received from the Westerly Automatic Telephone company asked for permission to open Broad street to Newton, and about 150 feet up Spruce street, for the purpose of laying conduits. President Chapman stated that the work could be completed in six days. Permission was granted.

Ex-Town Solicitor Kingsley was given an appropriation of \$50 for the preliminary work of the defense of the town in the suit brought by Courtland P. Chapman. The council voted to request Mr. Kingsley to give a detailed statement of the expenditures.

Here the council took a recess of twenty minutes to give Clerk Whipple opportunity to issue a marriage license to well known Watch Hill summer residents. They are Charles L. Winder and Miss Corinne Higgins Pope, daughter of George A. Pope, all of Baltimore. The wedding will take place at the Pope cottage, Wednesday.

Chief of Police Bransfield reported three arrests during the month of July, giving the cause of arrest and disposition of the cases. Health Officer Lewis Stanton reported one case of diphtheria at Watch Hill, the child affected having brought the disease from the city. The case was immediately quarantined. There was also a case of scarlet fever in the town during July.

Charles P. Johnson was granted license to conduct a shooting gallery at Watch Hill, the license fee to be \$5 per annum.

The petition of Thomas J. Bannon for druggist license for his store in Main street and Watch Hill was denied, giving the cause of denial. He would favor a license to Mr. Bannon as soon as any man, as he believed him a respectable citizen, but was opposed to the granting of druggist's licenses, and would prefer a general liquor license to prevail in Westerly, and he certainly was against any such change.

Proposition was made that George Street be graded, and that the property owners and others interested be given a hearing in the matter September 6. In connection with this work, Councilman Flynn was added to membership on the road committee, with special reference to the curbing.

Alderman Langworthy made suggestion that when the bridge is paved that Broad street be included in the paving. No action was taken.

The council then adjourned.

A power boat eighteen feet in length was stolen Sunday from the farm at Block Island, as was also a small skiff which was used to convey the thief from the shore to the power boat, which was owned by James Smith. The theft was reported to the superintendent of the life saving station in this district and notice was sent the several stations to be on the lookout for the boat.

About 9 o'clock Sunday night, Capt. Walter H. Davis of the Watch Hill station noticed a boat answering the description anchored a short distance from the shore. Its only occupant was a boy, who had been ashore in the skiff and purchased kerosene.

The General Demand
of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

The assessors for the Pawcatuck fire district and the Eighteenth school district of road improvements in Pawcatuck, have completed their work, and the result in comparison with that of 1928 is as follows:

School—1928, \$1,325,235; 1929, \$1,520,195; gain, \$194,960.
Fire—1928, \$2,085,045; 1929, \$2,096,540; gain, \$11,500.

The depreciation of valuation in the fire district is due to the reduction made in values by the town assessors, whose figures must be accepted as to values by the fire district assessors.

The law provides that the school district assessment shall be made by the district clerk and the committee, but the work was done by Clerk William A. Wilcox and Paul H. Hillard, acting for the committee, and whose work is examined and approved by the committee. The assessors for the fire district are Paul H. Hillard, E. Everett Watrous and Thomas Crowley.

The old state armory property on Main street, recently purchased at auction by the Pawcatuck Seventh-day Baptist church, as a matter of protection to the church property which adjoins it, was sold again, with the guarantee that the property shall be used for residential purposes. The purchaser is Orville G. Baker, who will erect a dwelling on the site of the burned armory building. The church purchased the property for \$650, or about one-third of its real value. The price paid by Mr. Baker is not made public.

In different sections of Westerly aside from the quarters of the regular fire department, there are located fire stations containing reels of hose on carriages drawn by hand, in emergency cases. One of these stations, located in Pleasant street, came very near being burned Monday afternoon just before two o'clock. The premises in the vicinity are used as a dumping ground and a pile of paper back of and close to the station was discovered by some boys to be on fire.

There was quite a blaze and the rear of the wooden station was scorched when Samuel Bransfield's attention was called to the fire. He formed a bucket brigade and extinguished the fire before much damage was done.

If there are unregistered automobiles in Westerly, the owners may have trouble for the state board of public roads has organized a board of inspectors, with police authority, who are now looking up the unregistered machines, and acquainting the board of the new arrivals. Under the old law, visitors to the state were allowed twenty days in which to register, but under the new law amendment only ten days are given. It is estimated that there are at least fifty unregistered automobiles in the state.

Local Laconics.
The Brown system of charging went into effect Monday in the Westerly public library.

Miss M. A. Saunders of Westerly is registered at the Hotel Columbus, Bethlehem, N. H.

The Westerly Young Men's Social club enjoyed the annual clambake at Whitman's pond Sunday.

Misses Helen Sweeney and Mary Rooney of Williamstown are guests of Mrs. Michael Keegan in Noyes avenue.

The schooner Florence Howard will be launched at Stonington this (Tuesday) morning at 11:30, barring accident.

The Ladies' Aid society of the Calvary Baptist church will picnic Tuesday in Wheeler's grove, near Stonington borough.

Mr. and Mrs. John Horne and son, Monroe, and Mrs. Elizabeth Grubb and son Russell of Plainfield, N. J., are guests of Mr. and Mrs. William Saxler of Smith avenue.

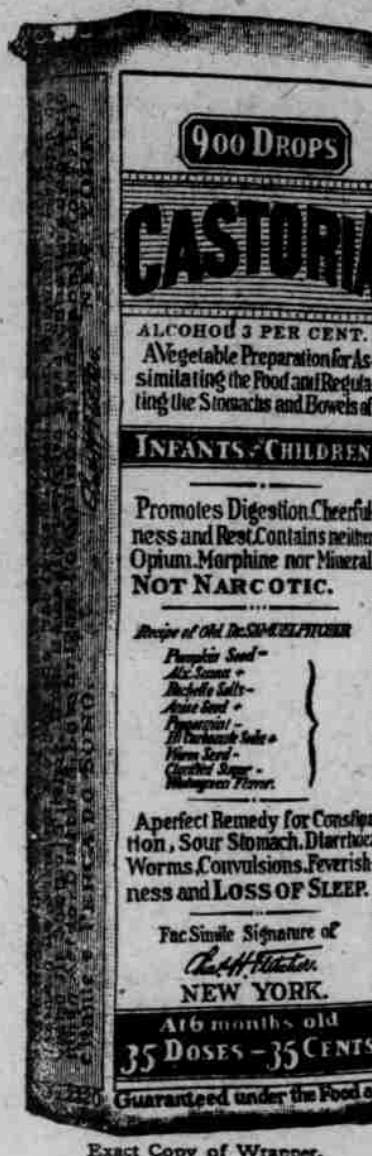

The ringing of songs on ice cream wagons has been ordered discontinued by the police committee of Westerly under the claim that the law provides there shall be no ringing of songs on the public streets.

Mrs. John Bransfield and daughter, Agnes, who have been visiting relatives in Westerly, returned Monday to their home in Philadelphia. Miss Jennie Bransfield of Westerly accompanied them for a short time.

Counterfeits.

Read what one of the GREATEST NEWSPAPERS IN AMERICA has to say on this subject:

"The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trademark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents, and mothers in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Philadelphia Bulletin.

Guaranteed under the Food and
Drug Act of 1906.
Exact Copy of Wrapper.

Letters from Prominent Druggists addressed to Chas. H. Fletcher.

Conger Bros. of St. Paul, Minn., say: "Fletcher's Castoria is certainly full of merit and worthy of recommendation."
C. G. A. Loder, of Philadelphia, Pa., says: "For 20 years we have sold Fletcher's Castoria and are pleased to state that it has given universal satisfaction."

The Scholz Drug Co., of Denver, Colo., says: "Fletcher's Castoria has surely become a household word. Seemingly every family where there are children uses it."
Hoagland & Mansfield, of Boston, Mass., say: "We have nothing but good to say about your Castoria and we do not hesitate to give it our unqualified endorsement."

Riker's Drug Stores, of New York City, say: "Fletcher's Castoria is one of the oldest and most popular preparations in our stores. We have nothing but good to say about it."

Wolf-Wilson Drug Co., of St. Louis, Mo., says: "Of the thousands of patent medicines for which we have demand there are a very few of them that we can conscientiously recommend and your Castoria is included in this few."

D. R. Dyche & Co., of Chicago, Ill., say: "The increasing demand for your Castoria shows that a discriminating public is not slow to seek out a remedy of merit and once convinced that it does all and even more than claimed they do not hesitate to recommend it to their friends."

The Owl Drug Co., of San Francisco, Cal., says: "We have always been a believer in the 'original man protection' and have been particular never to sell anything but the genuine and original Castoria (Fletcher's). We have many calls every day for this article from people who say they would not be without it in their homes."

GENUINE CASTORIA ALWAYS Bears the Signature of

Chas. H. Fletcher.

B. Chandler of Rocky Hill is understood to be the author of the minority public utilities bill in the general assembly.

Southington.—The long drought in telling on the water in the Southington reservoirs and Superintendent McKenzie says that it has decreased four feet in one basin and three feet in the other.

Shelton.—Milk Inspector Gibbons of the health department states that during the past six months he has taken 2,000 samples of milk and had found only one case where the milk was watered.

Milford.—Rev. W. A. Harrod, formerly of Milford, now of Hartford, is enjoying a vacation. He was in town for a visit and his family will remain here while he attends the Northfield general conference.

Waterbury.—Among books recently received at the Bronson library are 34 volumes in the Bohemian language, purchased for the benefit of the Bohemians of Waterbury, numbering some 60 families.

NEW SPITTING LAW.
Very Broad in Scope and Penalty Is Fine or Jail.

Governor Weeks signed Thursday the act forbidding spitting in public places. The new law follows:

Section 1. No person shall spit on the paved walk of any public street, park or square, or upon the floor of any hall or office in any hotel, restaurant, apartment house, tenement, or lodging house which is used in common by the guests or tenants thereof, or upon the floor, platform, steps, or stairs of any public building, church, theater, railway station, store or factory or street car or other public conveyance.

Section 2. The term spitting as used in this act shall be defined as the act of expelling any secretion from the chest, throat, mouth or nose.

Section 3. Any person violating the provisions of this act shall be fined not less than one dollar nor more than five dollars, or imprisoned not more than thirty days, or both.

Stony Creek.—Members of Governor Weeks' staff spent Sunday at the Indian Point house, Stony Creek. Governor and Mrs. Weeks were expected, but owing to the illness of the latter they were unable to be present.

People with chronic bronchitis, asthma and lung trouble will find great relief and comfort in Foley's Honey and Tar, and can avoid suffering by commencing to take it at once. The Lee & Osgood Co.
